

2023 Year in Review

Celebrating a Year of Impact and Generosity

A Year of Generosity and Impact

Thanks to the support of donors like you, a record-breaking \$6.4 million was raised to fulfill critical needs of patients, advance technology in care delivery, and empower our community toward healthier living, among other health priorities funded.

Throughout 2023, we explored new opportunities in public and private grant funding, receiving nearly \$2 million in grant revenue to fuel innovation and advancements in healthcare and throughout the community.

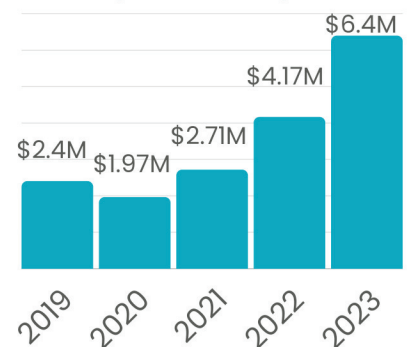

Events like Giving Hearts Day, the Altru Cancer Center Golf Tournament, Run for Your Buns, and the Altru Gala showcased our community's unwavering dedication to Altru, raising a combined \$630,000 for cardiology, cancer care and prevention, and the neonatal intensive care unit (NICU).

Additionally, nearly \$54,000 was contributed by 550 employees through our internal giving program, strengthening our commitment to holistic care and employee wellbeing.

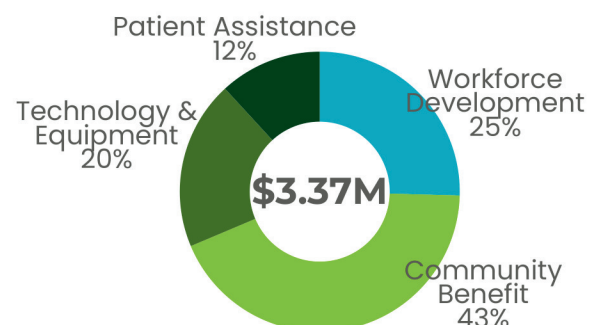

Overall, 2023 exemplified our community's incredible spirit and generosity, driving us toward a healthier, more compassionate future. Thank you for being part of it!

Scholarship Programs

Over 50 scholarships were awarded, totaling \$43,000. These educational opportunities support Altru employees, nurses, and local high school students who embody altruism.

Event Highlights

Giving Hearts Day

Giving Hearts Day raised more than \$33,000 to upgrade vitals monitoring in Altru's Cardio and Pulmonary Rehab, impacting more than 300 patients on their journey to health.

Altru Cancer Center Golf Tournament

Our annual golf tournament garnered nearly \$130,000 to support cancer patients with transportation needs, accommodations assistance and nutritional supplements.

Altru Gala

The 2023 Altru Gala raised a record-breaking \$452,000 to improve technology and advance care for Altru's tiniest patients in our NICU.

Altruist Award

The 2023 Altruist Award celebrated Diane Gunderson and Brenda Pauley-Colter for their dedicated leadership in spearheading Spin for Kids for more than two decades. Their commitment to pediatric therapy and community welfare inspired unprecedented levels of generosity, raising more than one million dollars and positively impacting countless families.

Altru's New Hospital

Each month of the past year brought about inspiring progress on the construction of Altru's new hospital. With the invaluable support of steadfast donors, more than \$1.85 million was gifted to support the new hospital in 2023, signifying a tremendous step to transforming healthcare in our community for years to come.
