Mayo Clinic Care Network

As a member of the Mayo Clinic Care Network, we are helping to bring Mayo Clinic's knowledge and expertise to the Red River Valley so you're assured of the finest care anywhere. Together, we share a common philosophy, commitment and mission to improve the delivery of health care you receive. While some patients may need to travel to a specialty care facility, the primary goal is to have the benefits of Mayo Clinic expertise without necessarily having to travel to a Mayo Clinic facility.

Rich History

- 1892**
The roots of Altru Health System date back to 1892 when St. Luke's Hospital was built in downtown Grand Forks (renamed Deaconess Hospital in 1899).
- 1900**
Three pioneering physicians established a clinic and achieved several firsts in North Dakota, including: the first board certified ear, nose and throat specialist, radiologist, internist, surgeon and obstetrician. Their practice would become known as the Grand Forks Clinic in 1940.
- 1907**
Sisters of St. Joseph of Caron opened St. Michael's Hospital, a 60-bed facility.
- 1958**
Outpatient medical rehabilitation facility opened on University of North Dakota campus with staff of eight.
- Mid 1960s**
Leaders of Deaconess Hospital, St. Michael's Hospital, the Grand Forks Clinic and the University of North Dakota Medical Center Rehabilitation Hospital discussed the problems of lack of space for expansion, duplication of services and a growing community and region.
- 1971**
Deaconess and St. Michael's Hospitals became legally, but not physically, one The United Hospital.
- 1972**
Organizers broke ground for the first facility on Medical Park, a 90-acre campus of medical services and facilities.
- 1974**
As the first building on Medical Park, The Rehab was a \$4.3 million, 88-bed building.
- 1976**
Construction of The United Hospital, an acute care hospital, on Medical Park was completed. The next facilities to follow were Valley Medical Associates, P.C. and the Grand Forks Clinic. The medical complex grew to include an orthopedic clinic, nursing home, chemical dependency center and a unique senior living center.
- 1977**
Grand Forks Clinic participated in the founding of the North Central Cancer Treatment Group, and The United Hospital organized the first paramedic training program in the state.
- 1978**
Grand Forks Clinic acquired Drayton Clinic.
- 1982**
The region's first cardiac catheterization laboratory (cath lab) was established at The United Hospital.
- 1983**
The United Recovery Center building was completed, creating The United Health Foundation.
- 1985**
The first heart donated for transplant in North Dakota occurred at The United Hospital. Grand Forks Clinic acquired Roseau and Greenbush Clinics and Northwestern Clinics in Crookston, Fertile, and Erskine.
- 1986**
Parkwood Place opened its doors. Grand Forks Clinic acquired Red Lake Falls Clinic and opened a branch clinic in Warroad.
- 1988**
Cardiac services expanded to include open heart surgery.
- 1992**
The Rehab dedicated first Easy Street environment in North Dakota.
- 1995**
The Rehab and The United Hospital merged. The Rehab 1,2,3 was dedicated, making it the third of its kind in the nation.
- 1997**
The United Health Services and the Grand Forks Clinic merged to form Altru Health System.
- 1998**
Altru's Diabetes Center was founded to provide accessible, comprehensive care using the latest and best treatment and management options. Altru acquired Cavalier Clinic.
- 2000**
