- In accordance with **Altru Parking Policy**, employees must park in designated areas.
- The areas indicated on the map are identified by Zone2 signs.
- There are areas reserved for Physicians/APPs/ Directors/Executives. These are identified as Zone 1 areas on the map. There are signs in the lots identifying these areas as reserved. You must park according to your Zone.
- If you park illegally, you will be ticketed in accordance with the parking policy. Willful or repeat violations may result in termination
- If you receive a ticket while parking in Visitor or Patient areas when you are not working (i.e. here for an appointment or visiting someone), please contact your manager and they can send an email to parking@altru.org to explain what happened or explain what action they would like to take
- Employees utilizing handicap parking stalls must have the approved state-issued handicap permit that was issued to the employee displayed on their vehicle and park in designated handicap parking stalls. If able, employees should utilize the handicap parking stalls located in employee lots.
