

*Each patient receives 3 hours each day for 5 of 7 days for a total of 15 hours of direct therapy services. Therapy consistently includes both occupational therapy and physical therapy sessions. When warranted, speech language pathology services will also be provided. Therapy sessions occur both in the morning and the afternoon each day.*

In 2019, **80%** of patients met their goal to return to the community from Altru's Inpatient Rehabilitation.
