*Secretary*

## **Current Position and Company**

President/CEO, Edgewood Group LLC

## **Community Involvement**

- » UND Alumni Association Foundation
- » UND College of Business and Public Administration Alumni Advisory Council

## **Why I advocate for Altru...**

I advocate for Altru because it is a locally-controlled organization and the primary leader for health care services in our community and region. Having a strong health care provider that is fully integrated and locally-owned and controlled is important to insure we have quality health care services at a reasonable cost.
