03. Financial Growth

Altru Foundation has experienced significant financial growth over the past five years, with revenue increasing by 300%. In 2024, we raised a record \$9.5 million, the highest in a calendar year. By the end of 2024, our total assets exceeded \$23 million, a 50% increase over five years.

04. Our Impact

Altru Foundation is proud to have gifted back over \$5.3 million in 2024. These funds helped purchase cutting-edge equipment, secure new next-generation NICU isolettes and transport equipment, sponsored scholarships and training for our workforce, and aided patients with prescription, transport, and clothing assistance.

A RECORD BREAKING YEAR

Making a Difference

05. Capital Campaign

Altru Foundation's first-ever capital campaign, Altru for You, was a remarkable success, raising over \$13.6 million since 2021 for the new Altru Hospital. The campaign's impact extends beyond financial contributions; it has fostered a sense of unity and commitment to enhancing healthcare in our region. This campaign ensures top-tier community care and sets a precedent for future philanthropy efforts.

06. Grant Revenue

2024 was an inspiring year for grant revenue! Altru Foundation received its largest grant ever from The Helmsley Charitable Trust, totaling \$4.2 million, to acquire state-of-the-art ultrasound and imaging equipment. Additionally, we were awarded three distinct grants totaling \$320,000 for State Health Improvement Plan initiatives. Overall, Altru services benefitted from over \$6 million in grant revenue.

07. Special Events

Last September's Altru Gala was truly record breaking! In total, over \$685,000 was raised for the new Altru Hospital, marking a milestone in the journey to advance healthcare in our region. Additionally, the 22nd annual Altru Cancer Center Golf Tournament raised over \$128,000 for vital cancer patient services, and the inaugural Altru Grand Race garnered nearly \$32,000 to support pediatric patients.

08. Community Health

Altru Foundation made major investments in community health in 2024. We led the way in bringing the Blue Zones Project to Grand Forks, to ensure the "healthy choice is the easy choice" for all, regardless of where they live. We supported Altru's Wellness Pantry and funded a Community Health Worker to combat food insecurity, cared for our region's youth through Safe Kids, and provided comfort at the Sunshine Hospitality Home.
