

Walking Desaturation/6 Minute Walk Test

A desaturation study/6 minute walk test is used to assess any oxygen needs you may require as well as your exercise tolerance. Please wear comfortable walking shoes as you will be asked to walk for 6 minutes. If you have an assistive device that you currently use, you may bring it along to your appointment to use during the test.

If you have any questions regarding your appointment or need to be rescheduled, please call 701-780-6400. Visit our website at www.altru.org, search “Pulmonary Lab”.

Altru Health System complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex.
